## BEARS CONTINUE TO HOLD MARKET

Shares on Stock Exchange Succumb to Attacks With Petroleum Unusually Active and Heavy.

New York, Aug. 3.—Other points of weakness for bear attack were uncovered during the forenoon, sugars and petroleum being uncommonly active and heavy. Cuban-American sugar dropped six points with two or more for Cuban cane and American beet. Possible trade or tariff regulations were given in explanation of the general fall in this group. Texas company lost five points in connection with the handicap imposed by further price reductions in crude and refined oils. Third avenue's one point decline offered a reminder of local labor troubles and representative rails were under restraint because of similar chances.

Bonds were irregular.
